

Dog Rocks  
FLORA & FAUNA SANCTUARY

Family Fun Morning  
in the  
Dog Rocks Flora and  
Fauna Sanctuary  
on Mother's Day  
Sunday May 12,  
9 am – 12 noon

Why not give mum the gift of some fresh air and exercise on Mother's Day morning? Give her an escape from the housework. Serve her a delicious white table cloth morning tea and make her a beautiful card at our craft table. And mum could have one of the lucky entry tickets and win a beautiful plant, some wine or chocolates.

You can do all of this and more! Yes, it's 'B day' again. Come and help us beat Boneseed, that beastly, bothersome, weed which we hope to banish from this beautiful natural woodland. With assistance from volunteers like you we are hand-pulling this weed. We are restoring the land to beautiful native plants and animal habitats, for now and for future generations, our children and grandchildren.

The BFS Landcare Group will meet you at 9am  
at the house carpark in the

Dog Rocks Flora and Fauna Sanctuary,  
95 Dog Rocks Rd., Batesford.

Come armed with gloves, spade or mattock.

Give Lit and George Belcher a call on 5276 1302 if you think  
you can make it and they'll make sure there's plenty of morning tea.

Hope to see you there!
